# Our History

Metrolux Trading Co. W.L.L, established in 2016 in Doha, is a key supplier of building materials and household products in Qatar. Known for its innovation and quality, the company offers specialized products like steel, waterproofing, and architectural materials, collaborating with top suppliers from Europe, Asia, and the Americas. Their work spans major projects including Hamad International Airport, Qatar Rail, and FIFA World Cup venues. With a focus on customer satisfaction and social responsibility, Metrolux has built strong industry relationships, contributing to landmark projects across Qatar.

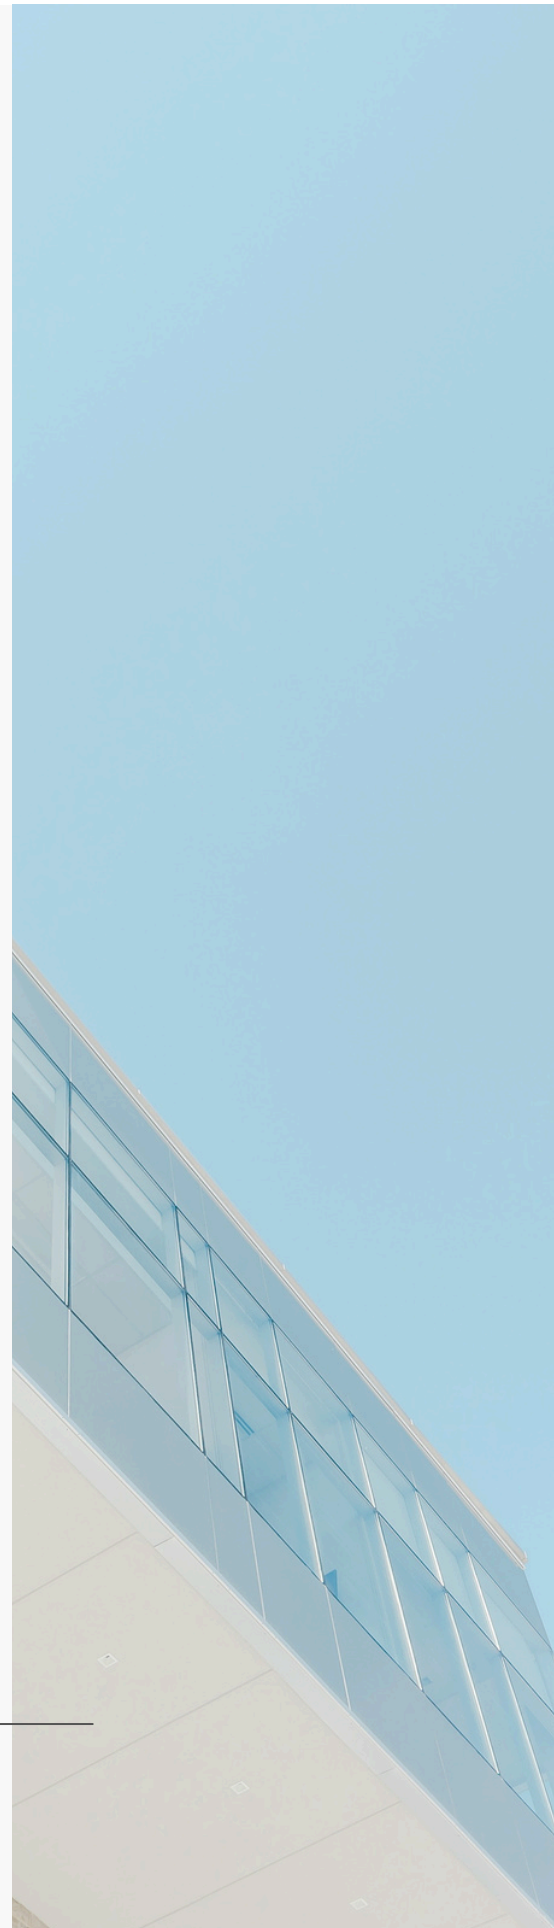

# Vision

To be the premium supplier of hardware and household products in GCC

To supply the best range of customer-oriented products which will also ensure complete customer satisfaction each time.

We strive towards excellence in productivity and course of action to be an exemplary market leader.

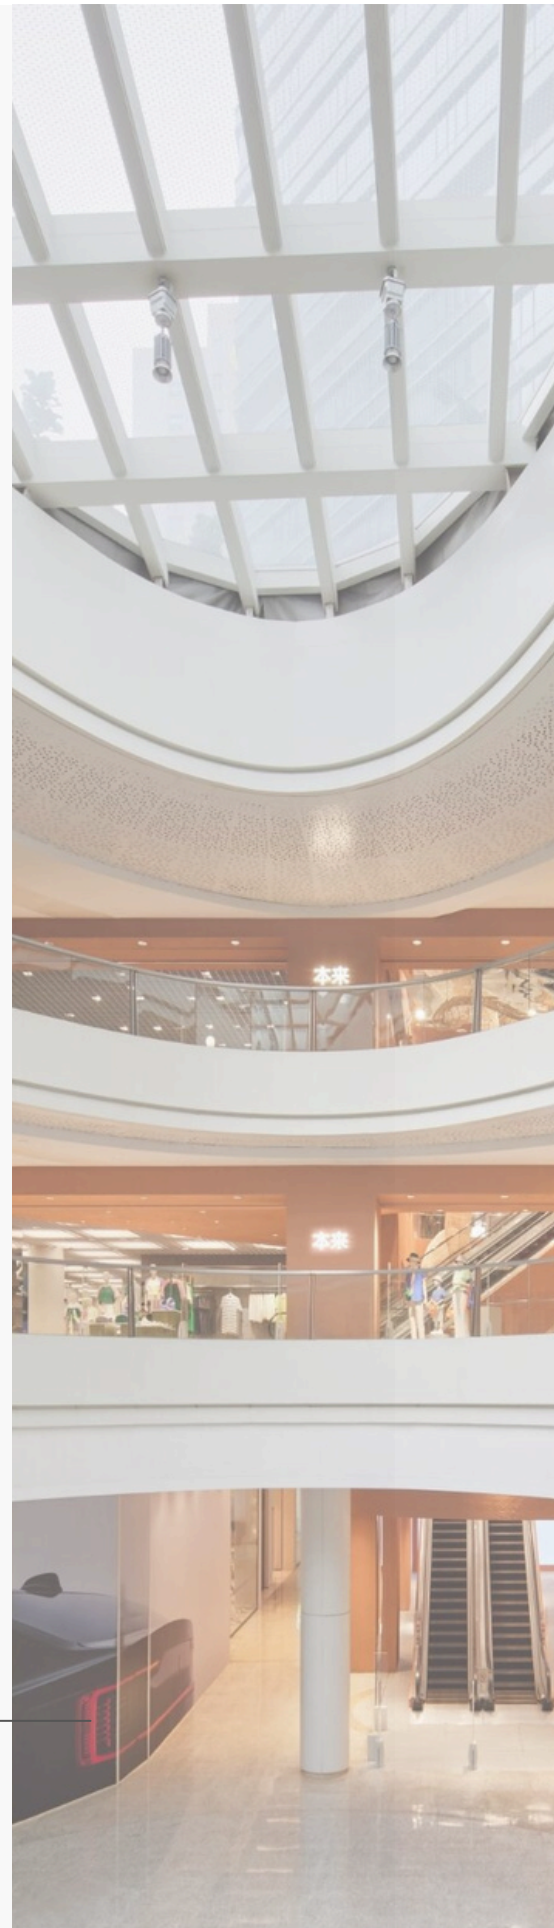

Further, we aim to provide best quality products which are also affordable to fulfill the requirements of all our customers.

# Mission

We shall embrace the changing paradigms of the industry in our day to day decisions.

We focus on being the first choice for all our clients whenever there is a requirement. We make sure to leave a mark of ourselves on every service that we provide our valuable customers.
